## THE LATEST IN SOLAR PANEL & BATTERY TECHNOLOGY

Find out how to make your home more energy efficient and save you money by reducing your electricity bills.

## HELP REDUCE GOULBURN MULWAREE'S EMISSIONS & SAVE MONEY!

Sustainable enterprises can create local jobs, save money and create positive communities. We can all help - every little bit counts and what YOU do counts!

Want to save money by reducing power and water bills?

Want to learn how to help your garden better withstand drought?

Do you know the right plants to grow to keep the area around your house cooler?

With a host of different activities, stalls, demonstrations, live music, good food and other entertainment, the Community Sustainability Expo is sure to be a fun day out - plus you can learn something whilst you're there!

## ACTIVITIES FOR THE KIDS

Get the kids involved with fun activities designed to widen their interests!

Have a look at the displays from local schools on their sustainability projects.

## FIND OUT HOW TO MAKE YOUR GARDEN SUSTAINABLE AND PRODUCTIVE

Find out about simple things you can do to make your garden more sustainable.

## WHY NOT MAKE A WEEKEND OF IT?

Indulge in a farm stay!

Visit a windfarm

Walk along the Wollondilly River

Take a guided tour through bushland

Visit the Goulburn Wetlands

## WHAT'S REGENERATIVE AGRICULTURE?

Find out how Regenerative Agriculture produces more nutritious food and the plans for Goulburn Mulwaree to lead the way in NSW.

Meet some of the organisations that are undertaking world class research and education in Regenerative Agriculture.

## CONNECT WITH COMMUNITY GROUPS

Increase your gardening knowledge, provide a place for you to grow your own vegetables or indulge other interests that help sustainability. Join with others to create a sustainability project in your neighbourhood!
