

FRIENDS OF THE MONGARLOWE RIVER INC

## “THE BANK JOB”

2012

The Friends of the Mongarlowe River is a local rivercare group established in 1986. FMR’s aspiration is to keep the Mongarlowe River in a pristine state. In 2007 FMR undertook a riparian assessment of the river to research the endangered Macquarie Perch. The assessment noted a severely eroded bank at this site, and so developed ‘The Bank Job’ riverbank rehabilitation project, undertaken with funding from the

**NSW Recreational Fishing Trust’s Habitat Action Grants 2010-2011**

FMR thanks the Recreational Fishing Trust and all other partners for facilitating the success of the project

**Grants like this make a difference.**

Project partners:

The Upper Shoalhaven Landcare Council: project management  
Southern Rivers Catchment Management Authority: design, site management & works supervision, review of environmental factors.  
Sydney Catchment Authority: detailed site survey  
Nerriga Fishing Club, Braidwood Fishing Club, Nerriga/Tomboye Landcare, The NSW Crown Lands Department  
Ulladulla Local Aboriginal Land Council

We acknowledge the Murramarang Aboriginal peoples from this area
