

# Kyogle Landcare

January Update 2019

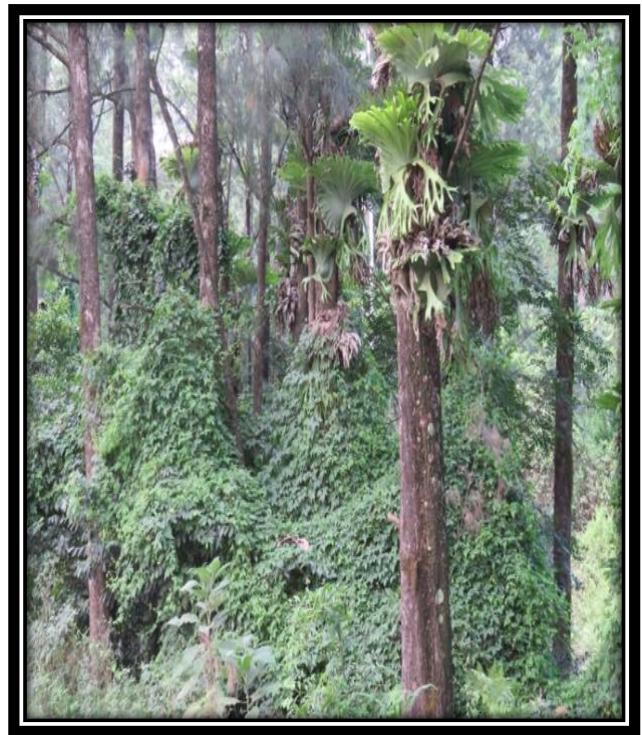

**HAPPY NEW YEAR**

2019 will be a year of continued growth and development for Kyogle Landcare.

Plans for this year include:

- The continuation of the WAR AGAINST WEEDS!!!
- Raising the profile of the importance of caring for the land in our community.
- Continuing the work at Fawcett Creek by spending the \$18000 grant on signage, weed control, seating and infrastructure improvement.

*Gateway to the Rainforest*

**BE ALERT AND INVOLVED**

- Continuing the work at Horseshoe Creek by eliminating Madeira Vine, Jobs Tears, Lantana and Balloon Vine to counter

***INTERGENERATIONAL  
AMNESIA.***

- Supporting designated special days highlighting the environment. eg. National Tree Day.
- Developing a proposal for the Community Managed Weeds Project, \$10 000 sponsored by Rous County Council. Any ideas please email Rob to be tabled at meeting on the 2<sup>nd</sup> of February.

*Horseshoe Creek*

- Continuing to source additional funding to support on ground projects.
- Replacing the roofing in the nursery with the \$1000 from Kygole Council.

- Continuing the propagation of native plants at the nursery for use by landholders.
- Continuing site visits to places of interest. The first will be Sue and Wayne Somerville's place at Creek's Bend.
- Conducting workshops to assist landholders with native tree identification and control of weeds.
- Continuing to provide a venue for like-minded people to meet and mingle.
