### Araluen Creek Restoration Project Celebration

On Saturday 9<sup>th</sup> September we celebrated the creek restoration projects completion.

Over 60 people attended the afternoon tea including special guests Mr Steve Whan MP, Member for Monaro, Mr Turlough Guerin CEO of Landcare NSW, Ms Rebecca Ryan QPRC General Manager, Councillor Katrina Willis and our Mayor Cr Kenrick Winchester.

It was a most enjoyable afternoon and the group extends a big thank you to everyone who came along and helped celebrate this momentous occasion.

Award winning film maker, Clare Young's short film is a brilliant short documentary of the project and I encourage everyone to take a look. The film is posted on the group's web page in the NSW Landcare Gateway <http://landcare.nsw.gov.au/groups/upper-deua-catchment-landcare-group>

Also celebration speeches, project overview, power point presentation, workshop fact sheets, propagation and revegetation information.
