## Who are we?

In 1995 the Upper Murrumbidgee Landcare Committee (UMLC) was formed to provide regional support for Landcare groups within the upper Murrumbidgee and Molonglo catchments of NSW. The UMLC covers an area of 6500km<sup>2</sup>, ranging from Nimmittabel to Queanbeyan, to Adaminaby and Numeralla. We currently support nine district Landcare groups, represented by Numeralla, Bredbo, Michelago, Mirrunga, Queanbeyan, Royalla, Burra, Carwoola and Captains Flat.

Our Committee members are a combination of district Landcare representatives and other regionally affiliated NRM associations. The primary goal of the UMLC is to encourage the sustainable management of natural resources within the Upper Murrumbidgee. The UMLC coordinator works with each of the district groups to support their individual Landcare goals.

## What do we do?

The UMLC supports land restoration strategies and activities that improve land and environmental values of our region. We promote the sharing of information, skills and experience to improve education and support on-ground projects. We achieve this by working with district Landcare groups, regional NRM organisations and the general community. We also organise Landcare activities and educational events to keep everyone up to date with what's happening in our region.

UMLC also provides a quarterly newsletter, *The Upper Bidgee Bulletin*, that includes information on upcoming activities, news items from our Landcare groups and many other interesting articles for our region.

Become a member of UMLC. We meet the first Tuesday of every second month.

## How to find us?

To find out more information on UMLC or any of our district Landcare groups contact our Landcare Coordinator, Georgeanna, on 0429 779928 or email [upper.murrumbidgee@gmail.com](mailto:upper.murrumbidgee@gmail.com).

You can also find us on Facebook or at the Upper Murrumbidgee Landcare Committee website ([landcare.nsw.gov.au/groups/upper-murrumbidgee-landcare-committee](http://landcare.nsw.gov.au/groups/upper-murrumbidgee-landcare-committee)).

For information on current news and activities join our email list, follow our Facebook page and subscribe to our newsletter, either through our Facebook page or email [upper.murrumbidgee@gmail.com](mailto:upper.murrumbidgee@gmail.com).
