

# Oyster Industry Disaster Assistance & Support Sessions

Oyster farmers, farm hands and anyone connected with the industry are invited to come along and learn about assistance available, discuss the impacts of the recent disasters, and hear from two Tasmanian oyster farmers who rebuilt following catastrophic fires in Dunalley a few years ago.

Two sessions will be held on the South Coast

- Thursday 27th Feb @ Club Sapphire Merimbula, 9am – 12:30
- Friday 28th Feb @ Catalina Country Club Batemans Bay 9am – 12:30

The sessions will include;

- Financial assistance available
- Mental health support
- Updates from NSW DPI (Aquaculture) & NSW Food Authority
- The Tassie experience of rebuilding  
*attendance of Tasmanian oyster farmers is kindly supported by Oysters Tasmania*
- A feedback exercise to learn from farmers experience on ground

Lunch will be provided at the conclusion of the session, providing further networking opportunities.
